

# WHY VISIT HAWAII?

**GOGO**  
VACATIONS

There is something for everyone in Hawaii. Each island offers a different experience and it is incredibly easy to go "island hopping" and visit multiple islands in one vacation.

## HAWAII'S BIG ISLAND

From deep beneath the earth's crust to high in the heavens above, the Island of Hawai'i offers active volcanoes, star-filled nights, diverse climates, ancient civilization and unique access to nature at its most powerful and raw, awe-inspiring.

## WHO IS HAWAII'S BIG ISLAND FOR?

Singles, families, honeymooners, active and adventurous travelers seeking unique experiences.

## CLIMATE:

**Sunny Skies** It is summer all year long and the consistent trade winds keep things comfortable. Summer temperatures range between 75 - 88° F. Winter is slightly lower at 68 - 80° F.

All but two of the world's climate zones generate everything from lush rain forests, to volcanic deserts, snow capped mountains to beautiful black sand beaches.

## WHAT IT IS KNOWN FOR:
